
2025

METHODS OF PAYMENT

The Tuition Fee and the Building Levy are billed in accordance with the Fee Schedule.

MyLoreto will be open to parents from 31 October – 15 November 2024 to select their payment plan. If no payment plan is selected by 15 November 2024, the payment plan option will automatically default to 10 equal monthly instalments.

Three payment plan options are available:

1. **Annual fee in advance**

If the full year's Tuition Fee and the Building Levy are paid by **30 November 2024 a 3% discount will be applied to the net Tuition Fee.** Payments in advance are limited to one year of Tuition Fee and Building Levy. The net Tuition Fee is calculated after Scholarships and/or Sibling discounts have been applied.

Whilst the Building Levy must be paid together with the Annual Tuition Fee, no discount applies to the Building Levy. Any payment received after the specified date will be ineligible for the discount.

2. **10 equal monthly instalments**

Instalments are due on the **15th of each month, starting in December 2024 until September 2025.**

3. **4 equal quarterly instalments**

Instalments are due by **15 December 2024, 15 March 2025, 15 June 2025 and 15 September 2025.**

A statement will be issued to parents confirming the amount due, prior to the payment date, and statements may also be viewed or downloaded from MyLoreto.

Methods of Payment:

- **Pay online via [MyLoreto](#)**
- **BPAY:** Biller Code – 3434
Reference - Please refer to fee statement for your reference number
- **Credit Cards:** Mastercard, Visa and AMEX are accepted, a 0.75% surcharge applies. Parents may make these payments via MyLoreto.

Non-payment of School fees

The School may in its discretion cancel the enrolment of the student and any sibling if any fees remain unpaid after their due date. Further details on the enrolment policy can be found on the School's website under [Terms and Conditions of Enrolment](#).
