LORETO
Mandeville Hall Toorak

Angela O'Dwyer
Principal, Loreto Toorak

Congratulations to the Loreto Toorak graduating Class of 2024.

Our graduating class has once again given of their best and worked diligently throughout the year. The students are fully deserving of their results, and we are very proud of all they have achieved. Our School community congratulates our students and pays tribute to our dedicated and inspiring teachers.
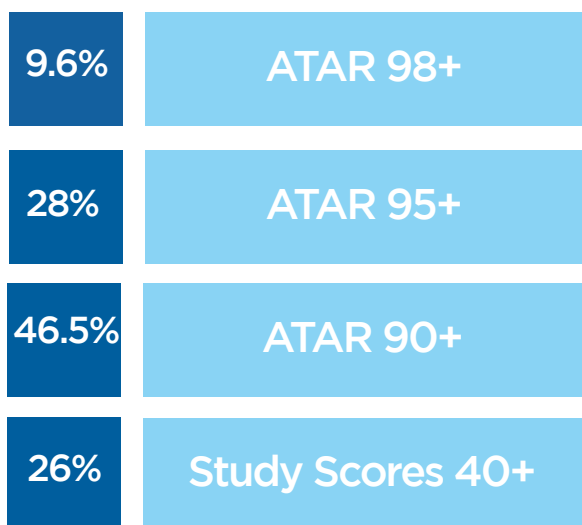

Our 2024 Dux of School Emma Abusah, is to be warmly congratulated. The Class of 2024 achieved 11 perfect study scores across six subjects. In addition to this, 15 students achieved an ATAR above 98.00, which is an exceptional result.

The academic achievements of our students are only one part of a Loreto Toorak education. It is the School's mission to develop both a curious mind and a compassionate heart in all our students and we acknowledge the various individual successes of students whose results might not reflect an academic honour, but for whom the achievement was significant. It is these individual stories that are special to celebrate, and the essence of all that we do.

Our graduates now have their choice of post-school experiences and will continue to build on this firm foundation in deciding their next exciting step. We know that these women will each contribute to a better world in some significant way. They are Loreto Toorak graduates: Loreto women. We wish them well.
