

THE FOUNDATION SHE NEEDS

The Loreto Values

Loreto Toorak is firmly grounded in the 400-year-old worldwide Loreto tradition of educating girls. We are committed in our mission to nurture their growth in the spirit of Christian teaching as capable, compassionate, independent women; characterised by personal integrity, freedom of spirit, concern for justice, love of learning and a joyful search for the truth throughout their lives.

The Loreto Toorak we know today has benefitted greatly from the contributions of past Loreto communities.

As custodians of the School at the present time, it is our privilege to ensure the foundations, strong traditions and educational values remain in place with the capacity to adapt with time and change.

A TRADITION OF GIVING

Making a Gift in your Will

A gift in your will, of any size, acknowledges the importance Loreto Toorak has played in your life and your hope that the School continues to thrive and enrich the lives of other girls. It is a way of giving that might not be possible in your lifetime.

Unencumbered gifts allow Loreto Toorak to grow its Endowment Fund; a fund dedicated to “Give a Girl a Dream”, providing bursaries and ensuring we maintain the breadth of students that define our School and its accessibility to the wider community.

We know that Loreto Toorak Past Pupils feel strongly about their School being able to provide these bursaries.

“I am proud to say that I was educated at Loreto Toorak, as was my late mother. Even though I have no children of my own, I wish to continue this tradition by providing a Loreto education for a girl who otherwise would not have had the opportunity. I love knowing the gift left in my estate will change the life of a child.”

"I made the decision to bequeath Loreto Toorak because I had the experience of setting up a bursary for my father for his old school and saw firsthand the benefits it gave to his school and its current students. It is a wonderful gift to be able to give to future students and so refreshing to see that a foundation such as this is available in a girls' school."

My personal experience working within the school for over 16 years has allowed me to see the enormous value of a Loreto education and the benefit my bequest will provide to future generations of Loreto girls. ”
